## Short Biography

Erica M. Larson is a cultural anthropologist and Research Fellow at the Asia Research Institute. Her research in Indonesia has focused on religious coexistence and how schools become important sites for deliberation about belonging. Her forthcoming monograph is titled *Ethics of Belonging: Education, Religion, and Politics in Manado* (University of Hawai'i Press). Dr Larson's current research focuses on Indonesian students seeking higher education in Singapore as a "digital diaspora," examining the way in which social media usage is intertwined with academic aspirations, religious practice, and various forms of mobility.
