Education

- Ph.D. (Communications and New Media) National University of Singapore
- M.A. (Mass Communication) Peking University
- B.Eng. (Polymer Materials & Engineering) Zhejiang University

Professional Experience

07/2022 – PRESENT

Research Fellow, Asia Research Institute (ARI), NUS

- Working on project “Transnationalism and Diaspora: Enhancing Demography’s Contribution to Migration and Development”, funded by Australian Research Council.

02/2019 – 06/2022

Research Fellow, Lee Kuan Yew Centre for Innovative Cities (LKYCIC), SUTD

- Worked on project “Tackling Digital Disruption: Industry Transformations and Workforce Resilience”, funded by the Singapore Ministry of Education Social Science Research Thematic (SSRC) Grant.
- Worked on project “Mobile Parenting in China – The Use of Homework Mobile Communication Apps”, funded by SUTD-ZJU IDEA Seed Grant.
- Worked on project “Organising Workers Through Digital Means”, funded by National Trades Union Congress (NTUC)

08/2015 – 07/2017

Research Assistant, Department of Communications and New Media (CNM), NUS

- Part-time RA (08/2015-07/2017) and project manager (08/2016-07/2017)
- Worked on project “Deliberative Governance: Developing a Digital Platform”, funded by Ministry of Education, Singapore

Research Area/Topic/Discipline

- ICT domestication and mediated intimacy
- Education migration in Asia
- Transnational householding and female migrants

5 Oct 2022

- Mobile parenting in China
 - Digital transformation and digital workplace
-

Short Biography

Yang WANG is a scholar interested in research on the intersection of information and communication technologies (ICTs), transnational householding, gender identities and education migration in Asia. She received PhD in Communications and New Media from National University of Singapore. Her research focuses on topics including transnational families in Asian education migration, transnational communication and mediated intimacy, gender positionality of female migrants, mobile parenting in China, and workplace digital transformation. She is experienced in designing and conducting qualitative and ethnographic research. She has published in leading international journals including *Journal of Computer-Mediated Communication*, *New Media and Society*, and *Journal of Children and Media*.
