- Sociology of migration and transnationalism in SEA
  - Sociology of the family
  - Sociology of violence
  - Sociology of risks
  - Sociology of disasters and emergency response
- 

## Short Biography

Dr. Bastide earned his PhD in Sociology from Ecole Normale Supérieure de Lyon and is an Associate Professor at the University of French Polynesia. Additionally, he is a Research Fellow

at the Research Institute on Contemporary Southeast Asia. Since 2005, he has been researching on transnational migration in Southeast Asia, notably Singapore, Malaysia, and Indonesia. He also explores risk perceptions and public health crises. At ARI, Dr. Bastide is advancing his project titled “Re-politicising Transnationalism”, which focuses on Indonesian migrant women's experiences across the three nations.
